

# HOW TO TIE A SCARF: THE EUROPEAN LOOP

*This knot is perfect for day-to-day wear, and best with thinner scarves of greater length.*

1

Fold the scarf with one end slightly longer than the other to form a loop.

2

Let the scarf dangle around your neck with the hoop on one side of the shoulder.

3

Take the other end "A" and bring it towards the hoop.

4

Let "A" pass through the hoop to make a European loop.

5

Tighten the loop to get the complete effect.
